

Khidmah Awarded New FM and Lifeguard Contracts

Abu Dhabi, 25th June 2019 - Khidmah, a leading facilities management company, has been awarded three new contracts in Abu Dhabi and Dubai after submitting winning bids to several leading entities across the UAE.

In Abu Dhabi, Khidmah's seasoned professionals will provide several Aldar Properties' assets with hard and soft facilities management services including the Eastern Mangroves as well as retail spaces within Marsa Al Bateen and Saadiyat Beach Villas communities. Moreover, the company will provide services to 8 Dubai Public Beaches managed by the Dubai Municipality.

Khidmah Executive Director, Stephen Fenn, said, "Khidmah is committed to offering highly competitive and uncompromised quality services to customers of all sizes in the UAE and the region. These new contracts reaffirm the strong reputation Khidmah has built over the last decade as a trusted facilities management company that is powered by experienced staff that understand all aspects of the business."

Khidmah focuses on providing facilities management and home maintenance services across different sectors including residential, commercial, retail, government, education, hospitality and healthcare. From landscaping and cleaning to home maintenance, pest control, handyman services, energy management and lifeguard services, the company aims to deliver individual or packaged solutions to meet various market conditions and requirements.
