We are proud of our team for taking part in this national drive that will save lives. We are also grateful to the UAE authorities for making the vaccine widely available to anyone who wants it to stay safe, stay protected and contribute to global efforts to combat the Pandemic.”

Khidmah staff have already been involved in the efforts to curb the spread of COVID-19 in the UAE since last year. In September 2020, 57 employees volunteered to participate in the initial COVID-19 vaccine Phase III trials launched by the government.
